

Conference Rooms (venues)

Our conference rooms vary in size and all have the latest for professional presentations. They are all in the same building which makes them easy to find and easy to integrate with all other activities.

Lastberget is only 45 minutes from Stockholm, Arlanda (Stockholm's international airport), Uppsala and Västerås. Just a short drive northwest of Stockholm near Bålsta, Lastberget is serenely located on a hill overlooking Lake Mälaren. We have friendly and experienced personnel, all of whom want nothing more than to make your stay the best one yet.

Everything seems possible when you walk into the Great Hall at Lastberget. With a ceiling height of more than 30 feet it immediately gives a feeling of volume and light. The Great Hall which is where you enter Lastberget is an excellent place to hold workshops, showcase new products, have events or exhibitions. It's central location provides easy access to the rest of the building and give a continuity to your chosen activities.

Conference Rooms

Computers (PC), digital projectors, hifi sound and multimedia players are included in the overall cost of the venue. Wireless YFI is available throughout the building and is of course without cost.
