

Food and Drink

We know that food is important at every meeting and it's our ambition to provide you with a nutritious culinary experience.

Our dining room seats up to 130 people with a view over Lake Mälaren. We pride ourselves on good food prepared by our experienced chefs. Our sommelier can recommend the appropriate wine to make your dining something to remember. Look through our wine list or contact our sommelier if you have special needs, requests or inquiries. Our lunches consist of a buffé with a "create-your-own-salad" bar and two different warm entreés.

We bake our own cookies, pastries and bread.

In our entertainment area called "Lyckliga Gatan" (patterned after the activities in a Swedish small town in the fifties) which is like a walk down memory lane to a Sweden five decades ago, you'll find our Wine-o-tek. You taste the wines on your own, together with a group of friends or you can ask our sommelier to help with selections and information.
